A reminder - You will need a Unique Student Identifier (USI)

Planning further study or training after school? You'll need a Unique Student Identifier (USI) for an apprenticeship, traineeship, VET course or university degree and to access HELP or VET Student Loans.

You apply online. Check to make sure you have one. It is different to your ULI, Tax File Number and QTAC application number.

Joke of the fortnight

I worked at the bank as a teller for a while…until I starting losing interest.

Thought for the fortnight

Happiness keeps you sweet

Trials keep you strong

Sorrow keeps you human

Failure keeps you humble

And courage keeps you going - so get that courage happening!

The information contained within this document has been gathered from a range of sources including publicly available websites, institutional and organisational newsletters. Every effort has been made to ensure the information provided is accurate and up to date at the time of publication. Careers & Opportunities in the Crane Industry

Have you ever thought about a career in the Crane Industry? If not, keep reading because you might be surprised about all the opportunities and you might find a new career path for you. To get started check out this video and check out what a crane traineeship may look like. Find out more about career options here including:

- The crane Industry
- About Careers in the Crane Industry
- How to become a crane operator
- Jobs in the Crane Industry

Changes to Australian Apprenticeships Incentive System from 1 January 2027

From 1 January 2027, support will focus on apprentices and small to medium employers, so help goes where it is needed most. Find out about:

- What are the changes?
    - Key Apprenticeship Program Employer Incentive
    - Priority Hiring Incentive
    - Australian Apprenticeships Priority List
- What's staying the same?
    - Grandfathering Arrangements
    - Key Apprenticeship Program (KAP) Apprentice Incentive
    - Australian Apprentice Training Support Payment (AATSP)
    - Living Away From Home Allowance (LAFHA)
    - Australian Apprenticeship Support Loans (AASL)
    - Disability Australian Apprentice Wage Support (DAAWS)
    - DAAWS Off-the-job Tutorial, Mentor, and Interpreter Assistance
- Need More Information?

It's time to start looking for that apprenticeship!

Looking for an apprenticeship or traineeship? The Queensland Government's website is a great place to start. You may be employed directly by a business or through a Group Training Organisation (GTO). A GTO pays your wages, organises your training and places you with host employers for practical experience. Ways to find opportunities include:

- Search job and apprenticeship websites.

The information contained within this document has been gathered from a range of sources including publicly available websites, institutional and organisational newsletters. Every effort has been made to ensure the information provided is accurate and up to date at the time of publication. This document can only be distributed and used by members of the school community of the school that has purchased membership to Options Career Information. For more information, see https://optionscareers.com.au/terms-of-service. Australian Defence Force (ADF) front cover image provided by ADF copyright.

- Contact a local Queensland GTO.
- Online job sites like SEEK or Indeed
- Ask around your local community
- Ask previous employers from work experience or part-time jobs.
- Speak to your school VET coordinator or guidance officer.
- Contact Australian Apprenticeships or phone 13 38 73.
- Learn how to find and prepare for an apprenticeship.

Also tell family, friends and neighbours that you're looking—they may know an employer seeking an apprentice. You can also contact businesses that haven't advertised a position. This is called cold calling.

Skilling Australia

Gaining and/or having the skills that companies require are changing all the time. This makes the need to re-skill or upskill more vital than ever. This short video (Skip adds) provides an industry perspective on the changing world of work. The following links will be of assistance:

- I want to be an apprentice
- Skilling Australia for Tomorrow
- Fair Work Ombudsman

Training sites for apprenticeships and traineeships

As part of your apprenticeship or traineeship you will be required to complete some off the job training. The links below provide great information:

- Apprenticeships & Traineeships
- Group Training Australia
- Queensland Skills Gateway
- Training

Making your dream career a reality

JobJumpstart has put together an article with hints and tips for finding that dream job. If you are interested in a specific career or want to find out whether a job is right for you, then following these five steps could increase your chances of making your dream job a reality:

1. Step 1. Do your research
2. Step 2. Watch day-in-the-life videos for an idea of what it's really like to work in a particular job
3. Step 3. Match your skills and aptitudes to those required for the job
4. Step 4. Link with employers
5. Step 5. Connect with training

Regional, rural and remote school leavers

Are you living in a regional, rural or remote area? Your Career has the information to get you started when considering life after school including:

- Support and services
- Are you moving away from home?
- Pathways
- Explore different journeys for school leavers
- Additional resources
- Resources

BUFTA - Flickerfest Australian Youth and School Competition 2027

FLiCKERFEST, Australia's premier international short film festival, will be held at Sydney's famous Bondi Beach in January 2027. FlickerUp 2027 competition is an Australian Youth & Schools Competition which screens at Flickerfest. It is open to films from students enrolled in secondary schools in Australia and individuals 18 years & under. Films must be under 35mins, completed in the last 2 years. FlickerUp submissions are due in on Monday 14 September 2026. Find out more here including:

- Flickerfest 2027 entries
- Flickerup Awards
- Eligibility Criteria and Terms and Conditions
- Eligibility
- How To Enter Your Film

Heywire Competition reminder

Heywire is a lived experience storytelling competition from the ABC, calling for stories from young people aged between 16-22 in regional, rural and remote Australia. Entries must be a true story about an aspect of your life. Stories can be in any format: text, video or audio — whatever form suits you best! A reminder that entries for the 2027 close on 1 September 2026. Find more info here.

Disabilities

Employment opportunities for individuals with disabilities

Become has created a guide for students with disability exploring careers and deciding whether to disclose their disability when applying for work. It can help you identify your interests, strengths and skills, and find work that suits you. The guide is American, so Australian laws and workplace requirements may differ. Read the guide including:

- What to look for in a job
- Employment and disclosing a disability
- Expert advice on if and when to disclose
- Challenges and rights for workers with disabilities
- Challenges that may still exist
- Expert advice on asking employers for accommodations
- Find the program you want in minutes

* Options does not endorse the ads that appear on the Youtube links

School Leaver Employment Support (SLES)

School Leaver Employment Supports help young people who need extra support with learning, social skills or self-management to move from school into work. Available during the final years of school and after leaving, providers offer personalised activities to help participants prepare for, find and keep a job. Providers can:

- Understanding where participants are on their employment journey
- What help participants might need
- Claiming payments for employment supports
- Supporting inclusive recruitment

School leaver guides for people using screen readers

If you are blind or have low vision, click here to find guides to discover your next steps after school. You will find a Support for Young People with Disability, Screen Reader here (scroll down).

Applying for university scholarships - why not!

Don't rule yourself out—apply for scholarships even if you're unsure you'll get one. Scholarships may be based on:

- Academic achievement
- Financial or personal circumstances
- Aboriginal and Torres Strait Islander background
- Sporting achievement
- Your chosen study area
- International study
- Support from an external organisation

Check university scholarship webpages for eligibility, value, deadlines and application details. Many applications start online and may require supporting documents. September holidays is a great time to get your application/s together. You won't know unless you apply!

Australian Veterans' Children Assistance Trust (AVCAT) Scholarships and Bursaries

AVCAT helps children and grandchildren of Australian veterans with the cost of full-time tertiary study. One application covers all available AVCAT scholarships and bursaries. Applications for 2027 close on 31 October 2026, so start gathering your documents early. Find out more about:

- Scholarships
- To be eligible
- How is my application assessed?
    - Financial need
    - Academic potential
    - Deservedness
- FAQ's

Finding out about financial support after school?

The Australian Government Services Australia provides tools to help you explore payments and get the latest information about changes for students. You can:

- explore payments based on your situation using Payment and Service Finder
- estimate and compare payments and services using their online estimators

The information contained within this document has been gathered from a range of sources including publicly available websites, institutional and organisational newsletters. Every effort has been made to ensure the information provided is accurate and up to date at the time of publication. This document can only be distributed and used by members of the school community of the school that has purchased membership to Options Career Information. Check your personal emails and Junk regularly from now on!

QTAC and the Universities mainly communicate with you by email. Use a personal email address, as your school email may stop working after you leave school. Regularly check your inbox, spam and junk folders for messages, deadlines and offers. Don't ignore QTAC or University emails or texts as they expire within days of sending—you could miss an offer!

Direct Entry and Self-Managed applications

There are a number of private providers and tertiary institutions who prefer to manage their applications through the direct entry or the self-managed process. Direct entry applications are offered by:

- Southern Cross University and University of New England - some distance education courses
- University of Tasmania
- Private universities, colleges and institutes
- TAFE Queensland - Certificate and Diploma courses

Self-Managed applications are offered by:

- Mater Education
- Australian College of Applied Psychology
- Australian College of Physical Education (ACPE)
- Endeavour College of Natural Health
- Healthcare Skills Australia
- JMC Academy
- Russo Business School

Early Bird payment of your QTAC application

Pay your QTAC application fee by **30 September** to receive the **$75 early-bird rate**. If paying by debit card, pay by **25 September** to allow time for the money to reach QTAC. If you can only pay with cash or need help with the fee, ask your guidance or school counsellor about a QTAC voucher. **Don't leave it late—the fee increases to $159 after 30 September.** And don't forget that you have 3 free change sessions where you can always change your preferences if needs be.

The information contained within this document has been gathered from a range of sources including publicly available websites, institutional and organisational newsletters. Every effort has been made to ensure the information provided is accurate and up to date at the time of publication. This document can only be distributed and used by members of the school community of the school that has purchased membership to Options Career Information. For more information, see https://optionscareers.com.au/terms-of-service. Australian Defence Force (ADF) front cover image provided by ADF copyright.

Eligibility requirements and Merit determination

University and TAFE entry requirements vary and may include:

- Minimum age requirements
- Subject prerequisites
- A portfolio, audition or interview
- An essay, personal statement, questionnaire or test
- UCAT for some medicine and dentistry courses

Check your QTAC course information early, as some courses have early closing dates.

University offers are usually made on merit. QTAC gives you a selection rank based on qualifications such as:

- Year 12 ATAR or IB
- Overseas Year 12 study
- Previous university study, usually at least two subjects
- Completed Certificate III, Certificate IV, diploma or advanced diploma
- Bridging or preparatory study

Not every university accepts every qualification, so check each institution's entry and selection policies. Find out more here.

How will I know I have a QTAC offer?

QTAC makes you one offer—for your highest eligible preference. This is the highest course on your list where you meet the entry requirements and required selection rank. If you receive an offer, QTAC will email or text you. Log in to your QTAC account, check the response deadline and reply on time or you may lose your offer. Regularly check your personal email, spam folder and phone, and **don't use your school email address**. Check Key Dates to be sure that you have all documentation and finalised your preferences on time.

QTAC Key dates

QTAC Key dates for 2026 include:

Tuesday 4 August 2026 - Opening of Admissions applications for 2027

Tuesday 4 August 2026 - Opening of ATAR Portal registration for 2027 Year 12 students

Tuesday 30 September 2026 - $75 Early Bird application offer closes - after this, application fee is $159

Monday 7 December 2026 - Due date to apply and submit documents for 23 December round offer

Due date to apply and submit documents for 14 January round offer

Friday 18 December 2026 - QTAC Release of the 2026 ATARs and QCAA release final subject results

The information contained within this document has been gathered from a range of sources including publicly available websites, institutional and organisational newsletters. Every effort has been made to ensure the information provided is accurate and up to date at the time of publication. This document can only be distributed and used by members of the school community of the school that has purchased membership to Options Career Information. For more information, see https://optionscareers.com.au/terms-of-service. Australian Defence Force (ADF) front cover image provided by ADF copyright.

Friday 21 December 2026 - Due date to change preferences for 23 December round offer

Tuesday 7 January 2027 - Due date to change preferences for 14 January offer round

QTAC Passport

Find the key information you need. QTAC can help you get organised for your next step: getting into a tertiary course. Whatever the future looks like for you, this passport is designed to give you access to helpful resources and advice for your Year 12 to tertiary journey. The Passport includes:

- QTAC Applications
- Preferencing
- Offers
- Australian Tertiary Admissions Tank (ATAR)
- Admission criteria
- Assistance Schemes

Ready to apply to QTAC?

Discover how you can get your QTAC Application started and keep it moving. Here you can learn how to navigate and respond to offers and alerts in their QTAC Application portal and follow along with FAQ on how you might respond to an offer, why you might not have received one and how to unlock or change information in your account.

Subject adjustments when applying to QTAC

Subject adjustments can boost your selection rank if you successfully complete specific Year 12 subjects. QTAC automatically applies eligible adjustments when assessing your course preferences. Rules vary between institutions and usually apply to study started Semester 1 after school. They are only applied to ATARs and are not applied to VET qualifications, Check each university's website to see which subjects and courses are eligible.

What is an ATAR and how to apply/get your ATAR

QTAC will calculate your ATAR based on your Year 12 results provided by the Queensland Curriculum and Assessment Authority. ATAR results are used nationally for tertiary admissions. ATARs are expressed as a number on a 2000-point scale from 99.95 to 0.00 in steps of 0.05. So, the highest ATAR is 99.95, then 99.90, then 99.85, and so on, down to 0.00. ATARs below 30 are reported as '30.00 or less'.

You must apply to QTAC for them to calculate it and you will find out on 18 December 2026. This registration is **COMPLETELY SEPARATE** to your QTAC course application for study in 2027. If you are ATAR eligible you need to apply/register for **BOTH**.

The information contained within this document has been gathered from a range of sources including publicly available websites, institutional and organisational newsletters. Every effort has been made to ensure the information provided is accurate and up to date at the time of publication. This document can only be distributed and used by members of the school community of the school that has purchased membership to Options Career Information. For more information, see https://optionscareers.com.au/terms-of-service. Australian Defence Force (ADF) front cover image provided by ADF copyright.

To register to receive your ATAR, go to the QTAC website, and click on ATAR Portal. Registering for your ATAR is FREE. You will need to have the following information ready:

- Full name (as recorded on your MyQCAA - no nick names or shortened names)
- Date of birth
- LUI number (Learning Unique Identifier number that your school will give you)
- Personal email address (DO NOT use your school address as it will not be active once you leave school)
- You will be sent a confirmation code so look in your Inbox and Junk mail for the QTAC email

Click here for more info and REMEMBER, you STILL need to do a separate QTAC application if you are wanting to apply for course entry in 2027 and this will cost you $75 if you apply before 30 September 2026.

What is the difference between the QCE and ATAR?

The Queensland Certificate of Education (QCE) and the Australian Tertiary Admission Rank (ATAR) are different and have different purposes. The difference is:

- QCE: Certifies learning showing the individual has achieved a specific standard of education at senior schooling level. The QCE may be referred to by employers and the general community
- ATAR: Shows a student's position (or ranking) compared to all other students in the state. Their only purpose is to assist with selecting applicants for tertiary study. It is not an indicator of a student's potential for career success or earnings

If you have questions about the QCE, including assessment and subject results, you need to contact QCAA. Questions about ATAR or your 2027 course application, you should contact QTAC.

The information contained within this document has been gathered from a range of sources including publicly available websites, institutional and organisational newsletters. Every effort has been made to ensure the information provided is accurate and up to date at the time of publication. For more information, see https://optionscareers.com.au/terms-of-service. Australian Defence Force (ADF) front cover image provided by ADF copyright.

External assessment guide

The 2026 external assessment guide for students is now available on the myQCE website. It has information about:

- External assessment
- How do they contribute to results?
- What do they test?
- How are they developed and marked?
- Key dates and details
- Resources to help you prepare
- Tips to help you study and stay motivated
- What to do if you are unwell
- How can I stay updated about changes to external assessment?
- Access arrangements and reasonable adjustments

How do I get my Year 12 results?

The myQCE site has information on a number of topics including planning Your QCE Pathway which encourages you to take an active role in your career planning. If you are in Year 10 you can read about:

- The QCE
- Planning your pathway
- Student Portal and your Learning Account
- Career stories
- myQCE update
- Balancing your study

Don't Quit - some words of encouragement

Don't quit when the tide is lowest, for it's just about to turn;

Don't quit over doubts and questions, for there's something you may learn;

Don't quit when the night is darkest, for it's just a while till dawn;

Don't quit when you've run the farthest, for the race is almost won;

Don't quit when the hill is steepest, for your goal is almost nigh (within your grasp);

Don't quit, for you're not a failure until you fail to try.

Author unknown

Feeling the stress?

Senior studies can be stressful, especially around exam time and assignment due dates. Having stress management strategies to call on when needed is essential, not just for this year but also for your future success and happiness in studies and living. Check out the following apps.

Smiling Mind App – Smiling Mind provides a modern meditation for young people that guides the user through a series of exercises. It is free for use online or as a smartphone app.

Headspace App - Headspace is a free app that's like a personal trainer for your mind. It provides guided meditations to help you sleep, relax, study and focus.

How to study effectively

While there is no 'one-size-fits-all' approach, when it comes to studying effectively, there are methods you can use to improve your recall and long-term memory. Remember: everyone has different learning techniques. What works for other students may not work for you. Just keep trying until you discover the best way to study. Victoria Uni has put together 10 study tips to try out. Read more about:

1. Get organised
2. Don't skip class!
3. Take notes
4. Talk to your teacher and ask questions

The information contained within this document has been gathered from a range of sources including publicly available websites, institutional and organisational newsletters. Every effort has been made to ensure the information provided is accurate and up to date at the time of publication. This document can only be distributed and used by members of the school community of the school that has purchased membership to Options Career Information. For more information, see https://optionscareers.com.au/terms-of-service. Australian Defence Force (ADF) front cover image provided by ADF copyright.

5. Space out your studying
6. Create a study plan and stick to it!
7. Don't just re-read but study
8. Set up a quiet study space
9. Test yourself
10. Find a study buddy or join a study group

Tips on managing your study and learning

Success Integrated has developed the following, short videos that will support your learning and study habits. Find the following videos here:

- How listening to baroque music improves your study performance
- How to best prepare for exams
- How to Summarise Effectively
- How to defeat procrastination using the 5 Second Rule

Courses at TAFE Queensland

You can study at TAFE through several different ways including:

- School-based
- Classroom based: Certificates, diplomas, associate degrees or degrees
- Online
- Apprenticeship
- Traineeship

Areas of study include:

- Business and IT
- Education and Community
- Health and Science
- Service industries
- Creative industries
- Environmental and Animal services
- Infrastructure and Transport
- Trades

Find out what you will study in a particular TAFE Qualification

Knowing what you will actually be studying is very important for your success in a course. The following steps will guide you to the core and elective units you will study in each course.

- Go to the TAFE Queensland website and enter into the *Search Courses* box for the certificate, diploma or degree you are interested in
- Choose the location you want to study at
- Click on the course you are looking for and scroll down to *What you will study*
- Make sure you read the Elective units that are offered at the TAFE you want to attend
- Click on the unit links to find out more about each unit

Government Funded Courses

Government funded courses are available across Queensland. With some free online courses and State Government funding schemes and loans, you can take your first step towards a new career. Fee-free training options are across many study areas. For more information, click here.

Course Seeker may be of assistance

Course Seeker lets you search and compare undergraduate courses across Australia. Explore courses by location, entry requirements, ATARs and prerequisites, then find out how and where to apply. You can also save, compare and share courses and discover upcoming events.

Early Closing dates - Don't miss them!!!!!

Check Specific Universities: Because deadlines vary wildly by course, use the QTAC Course Search tool or individual university admission pages (such as The University of Queensland, Queensland University of Technology, or Griffith University) to verify course-specific closing dates and/or criteria

It can start with Arts (its reading and writing NOT painting and drawing!)

Discover the endless opportunities made possible with a Bachelor of Arts. With over 45 majors to choose from, you can explore diverse disciplines and shape your own unique path. Click here to find out about:

- Bachelor of Arts areas of study
- Why study the Arts
- What jobs can you get with an Arts degree?

Missing a prerequisite for the course you want?

If you don't have a prerequisite for a specific course you are wanting to do, call the uni to find out your options. They can tell you their best pathway course that may get you entry the following year and that may give you credits as well. They are happy to help so don't leave it too long to make that call!

Moving out for uni: pros and cons

Starting university locally and unsure whether to move out of home? UQ’s guide explores the pros and cons to help you decide what’s right for you. Read the guide, including:

- Finances
- Independence

- Study environment
- Relationships
- When is the right time to move out of home?

Unadjusted V Adjusted LSR/ATAR

If you're in Year 12, use the QTAC Guide to help plan your course preferences for 2027. **Always check** course details on university websites. When comparing Lowest Selection Ranks (LSRs), use the **adjusted LSR** as your guide, as this includes any adjustment factors received by successful applicants. Remember, previous LSRs are only a guide and may change each year.

Australian Catholic University

Adjustment Factor schemes at the Australian Catholic University

Through the following schemes, eligible applicants are given adjustment factors when they apply for ACU courses through QTAC. There is a maximum of 12 adjustment factors applied across all ACU schemes.

ACU offers several adjustment programs that may boost your selection rank:

- **ACU Subject Program:** Up to five adjustments for eligible Year 12 subjects. Applied automatically through QTAC.
- **Elite Athlete and Performer Program:** For students competing or performing at an elite level. Apply directly to ACU.
- **School Relationship Program:** Up to five automatic adjustments based on your school or location.
- **Campus and Regional Schools Programs:** Support students from areas linked to ACU campuses or regional schools.
- **Access and Equity Schemes:** Support students whose education has been affected by difficult circumstances.
- **QTAC Educational Access Scheme:** Adjustments for financial hardship, home responsibilities, illness or disability, school circumstances or English language difficulties. Apply through your QTAC application.

Learn more about ACU adjustment factors.

I didn't get the ATAR/Tertiary Rank!

Didn't get the school results you wanted? Don't panic, there are many ways to get into ACU. They've gathered a list of pathways and entry programs here. See if any might work for you.

The information contained within this document has been gathered from a range of sources including publicly available websites, institutional and organisational newsletters. Dental Health Science applications for Rural Priority Access

Griffith's Rural Priority Access Scheme reserves places in selected health degrees for eligible students from rural backgrounds. The scheme aims to develop healthcare professionals who understand the needs of rural communities. Applications for the Bachelor of Dental Health Science close on 30 September 2026 for Trimester 1, 2027 entry.

Griffith Bridging Maths for entry into a Teaching degree

If you're wanting to study a teaching degree after school but don't have the Maths prerequisite, successful completion of Griffith's free Bridging Maths meets the Maths subject prerequisite for entry into Griffith Education degrees. Courses for Year 12 students will run from 5 January to 12 February 2027 for commencement in a Trimester 1 2027. Courses are offered part-time over six weeks in on-campus and online modes. It is expected that you will commit to approximately 13–15 hours per week of study comprising:

- a compulsory two-hour, face-to-face tutorial once each week on campus or online
- approximately 13 hours per week of self-study completing online modules (including assessment).

Click here for more information including eligibility, tutorials, topics and how to apply. Applications are now open.

Griffith Student Academy of Excellence

The Student Academy of Excellence provides experiences and opportunities that help high-achieving undergraduate students reach their full potential. Admission is limited and based on academic and personal achievement. Future and current undergraduate students are encouraged to apply. Click here for more information about applying for 2027.

Guaranteed Admissions scheme

Griffith offer 4 Guaranteed Admission options including:

- Year 12 Early Offer Scheme
- Head Start
- VET
- ATAR/Rank

The information contained within this document has been gathered from a range of sources including publicly available websites, institutional and organisational newsletters. Every effort has been made to ensure the information provided is accurate and up to date at the time of publication. Click here to check out more about each scheme and the eligible degrees for admission in 2027.

Undergraduate diplomas may get you to where you want to be

Griffith Uni's undergraduate diplomas give you a supported start to your university studies, helping you to transition to your chosen bachelor degree.

- You'll undertake your first year of study in the diploma alongside your peers in the bachelor degree and finish your studies in the same amount of time, at no extra cost.
- Once you've successfully completed the diploma, you'll be offered guaranteed entry into the second year of the corresponding bachelor degree.
- You'll develop foundational knowledge and skills, setting you up for success in your future bachelor studies.
- You'll be able to draw on a wide variety of student support programs to assist you throughout your studies.

Find out more info here.

Upgrading pathways to competitive degrees

Choose a back-up degree with similar first-year subjects to your preferred course. This may give you more credit if you transfer later, saving time and money. Use Griffith's Degree Finder to compare your options and include them on your QTAC preferences Find out more here.

Year 12 Early Offer Guarantee

Eligible Year 12 students can receive an early offer to study based on their ATAR or IB Diploma studies, VET qualification or by completing a Griffith Head Start (GUESTS) program. You can apply by selecting an eligible degree on your QTAC application. The following are the key dates for Griffith Uni's Year 12 Early Offer Guarantee scheme:

- September to November: Offers will be made to eligible applicants
- Round offers:
    - 4 September
    - 16 October
    - 20 November
- 21 October: Final date to apply to be eligible for an early offer
- 4 November: Final date to submit supporting documentation for the main offer round on 20 November.
- 16 November: Last date to change your preference to preferred degree for the 20 November offer round

Find more info and application details here.

University of Southern Queensland

Adjustment factor pathways

UniSQ adjustment factors may boost your selection rank based on things such as where you live or the Year 12 subjects you complete. You can receive up to 10 adjustments, which QTAC usually applies automatically when assessing your application. Check which UniSQ adjustments you may be eligible for when planning your QTAC preferences from:

- Schools adjustments
- Location adjustments
- First in family
- Supporting you and your journey to UniSQ
    - Subject adjustments
    - Early offer
    - Educational Access Scheme
    - Elite athlete adjustment

Double Degrees

A double degree lets you study two areas and earn two qualifications in less time than completing them separately. UniSQ offers flexible major combinations to match your interests and career goals. When you graduate, you'll receive a separate certificate for each degree. Explore UniSQ's double degrees, including:

- Bachelor of Accounting and Bachelor of Laws
- Bachelor of Arts and Bachelor Business
- Bachelor of Arts and Bachelor of Laws
- Bachelor of Arts and Bachelor of Science
- Bachelor of Business and Bachelor of Information Technology
- Bachelor of Business and Bachelor of Laws
- Bachelor of Business and Bachelor of Science

Head Start Program may interest you

UniSQ Head Start is their academic extension program for high achieving Year 10, 11 or 12 students. You will get a taste of what Uni is really like by studying one university subject a trimester while working towards your QCE. Click here for more information including:

- Your first Head Start course is free
- Credits towards a related UniSQ degree
- Entry into UniSQ degree
