Downloading and Installing Adobe Creative Cloud apps

Adobe Creative Cloud is a set of applications and services from Adobe Inc. that gives subscribers access to a collection of software used for graphic design, video editing, web development, photography, along with a set of mobile applications and also some optional cloud services.

As an enrolled student in Noosa District SHS, a licence is bundled into the student resource scheme and freely available to download. Please see instructions below on how to obtain a copy for your laptop and/or home desktops.

1. Navigate to https://www.adobe.com/au/creativecloud.html and select the Sign In button on the top right hand corner.

2. Enter your school email address, remembering to add @eq.edu.au
