SIGNATURE PROGRAMS

Discover Your Passion.
Develop Your Potential. Define
Your Future.

Signature Programs are specialised learning pathways designed to extend students beyond the standard curriculum.

They provide enriched opportunities for students to pursue their passions, develop advanced skills and engage in deeper, more meaningful learning experiences.

These programs are designed for motivated students who are ready to be challenged, inspired and supported in their area of interest.

HOW TO APPLY...

1. Complete enrolment pack and return to Noosa District State High School Pomona Campus.
2. Collect Academy Application form, complete and return with any supporting materials.

PROGRAM FAQ'S

- Applications will not be considered unless a completed enrolment application is submitted. This includes providing all supporting documentation and attendance at an enrolment interview.
- Students can apply for Summit and an additional pathway program.
- Students can apply for more than one of the following -Athlete, Art and Innovation however will only be accepted into one.
- If a student is applying for more than one they must submit separate applications (refer to application form).
- Once a student has been selected for a pathway program they must agree and sign a contract. Their placement in the programs will be reviewed based on their adherence to their contract. If a student is not meeting the standards of the contract they may be removed from the program.

PERFORMING ARTS ACADEMY

Where Talent Takes Centre Stage

The Performing Arts Academy is designed for students with a passion for Drama and Dance who want to develop their skills, confidence and creativity in a dynamic, supportive environment. Students receive specialist training, performance opportunities and the chance to grow as confident communicators and expressive performers — both on stage and in life.

Why Join the Performing Arts Academy?

Students will:

- Develop acting and stage presence
- Learn choreography and performance composition
- Improve confidence, teamwork and communication
- Perform in showcases, productions and community events
- Work with experienced performing arts teachers

STEM INNOVATION ACADEMY

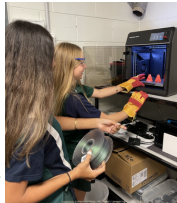

Where curiosity meets creativity.

The Innovation Academy (STEM) frames student learning through the Design Learning Cycle — encouraging students to investigate, design, test and refine innovative solutions.

Students engage with cutting-edge STEM technologies including:

- 3D printing & modelling
- Robotics
- Aerodynamics

Through hands-on, real-world projects, students apply Science, Technology, Engineering and Mathematics to solve authentic problems while building critical thinking, collaboration and future-focused skills.

Think boldly. Design creatively. Innovate confidently.

VISUAL ARTS ACADEMY

Create. Capture. Communicate.

The Visual Arts Academy is designed for students with a passion for creativity, design and visual storytelling. With a focus on Media and Visual Arts, students develop technical skills, artistic confidence and innovative thinking through hands-on projects and real-world creative challenges. This program extends students beyond the standard curriculum, nurturing artistic excellence and future-ready creative skills.

Students will develop skills in:

- Digital photography and image editing
- Film production and visual storytelling
- Graphic design and digital illustration
- Visual composition and contemporary art practice
- Media analysis and creative communication
- Portfolio development and exhibition presentation

ATHLETE ACADEMY

For students who are passionate about sport and ready to take their performance to the next level.

The Athlete Academy combines health and sport education with specialised training in:

- Swimming
- Cross Country
- Athletics
- Touch Football
- Mountain Biking
- Sport-specific skill and fitness development
- Curriculum linked to performance and wellbeing
- First selection for Interschool Sport Programs
- Strong partnerships with local sporting organisations

Train with purpose. Compete with confidence. Perform at your best.

SOCCER ACADEMY

Noosa District SHS Soccer Academy is designed for passionate Junior Secondary students ready to elevate their game.

Our academy provides structured, high-quality coaching, competitive opportunities, and tactical development that goes beyond regular school sport. Students refine their technical ability, expand their strategic understanding of the game, and build the mindset required for success — both on and off the field.

This is more than just soccer.

It's a pathway to performance, leadership, and excellence.

TOUCH FOOTBALL ACADEMY

This academy enhances Junior Secondary students with a passion for Touch Football by providing them with access and opportunity to develop their strategic knowledge and skills through coaching and competition. Noosa District SHS Touch Football Academy partners with Noosa Touch Association and academy students are encouraged to hone their skills by joining them. Students in this academy are required to represent the school in Wednesday afternoon competitions.
