

## Year 11 – 2026 Subject Selection and Financial Commitment Form

Name .....	Home Group.....
<b>USI Number .....</b> <p><b>UNIQUE STUDENT IDENTIFIER (USI)</b> - As of January 1, 2015 the Australian Government has mandated that students undertaking nationally recognised training delivered by a registered training organisation will need to have a Unique Student Identifier (USI). The USI will allow students access to a USI account which will contain all of their nationally recognised training records and results from 1 January 2015 onwards. What this means is that any student enrolled in a Certificate course at Noosa District State High School, must register and create a USI which must be passed onto the school during the subject selection process. Noosa District State High School is then required by law to verify your USI before we can enrol you in a VET qualification.          To register go to: <a href="http://www.usi.gov.au/">http://www.usi.gov.au/</a> and select <i>Create your USI</i> link.</p>
