

2026 Year 10 Subject Selection

Instructions for Students

1. This subject selection is for the whole year and should directly reflect your Senior Subject Pathway (what you are likely to choose in Year 11 and 12).
2. All Year 10 students will study 7 subjects, including a Certificate II Course on Line 7.
3. Mathematics and English are compulsory; however, you need to elect which Mathematics course is appropriate for your pathway.
4. Students select **ONE** (1) subject from each line. You cannot select the same subject twice.
5. Use the 2026 online [Year 10 Subject Selection Booklet](#)
6. You cannot choose Science (Core) with Science (Biology) or Science (Chemistry & Physics)
7. Students selecting Agricultural Science will also complete a Certificate II in Animal Care within the course.
8. Any fees incurred from studying course through external providers must be paid in full.
9. Some subjects attract an additional cost. There is a \$50 deposit required at SET plan meeting. The balance of subject fees must be paid by **Friday 28th November 2025**.
10. VETiS Funding – Students who wish to access VETiS funding to complete a Certificate course should see the HOD Senior School (Ms Riley)
11. Some subjects may not be offered if there are low enrolment numbers and students may be required to reselect.
