Expression of interest in the Instrumental Music Program for 2019 **Strings and Band**

Each year there is much interest in *Instrumental Music*. We encourage existing and new students to be part of our inspiring program. Learning Music strengthens and builds your child's capacity across all their school subjects. Students in our program learn many other skills, such as: Confidence; Communication; Team work; Respect; Etiquette; Dedication and Resilience. It was great to have our Instrumental Music students of 2019 showing such excellent progress and keen interest.

Within the *Instrumental Music Program* we are fortunate to offer both a Strings and also a Brass and Woodwind Program (Band). In our Strings Program, students are able to play a range of instruments including: Violin, Viola, Cello and Double Bass. Some instruments will be available for hire from the school, however it has now become quite affordable for one to own a Violin or Viola Outfit for less than \$300. (School Violins and Violas are available for 12 month hire only. Cellos and Double Basses are available for 2 year hire.)

Instruments available in the Brass and Woodwind Band Program are: Flute, Clarinet, Bass Clarinet, Alto Saxophone, Tenor Saxophone, Trumpet, Trombone, French Horn, Euphonium and Percussion. There are also some school instruments available for hire in this group with smaller instruments are available for 12 month hire only. Larger, more expensive instruments are available for the duration of the child's enrolment in the program.

The *Instrumental Music Program* is a very cost effective way for your child to learn an instrument. Our yearly tuition fee is \$60.00 this will now include essential tutor books which are normally an additional cost of \$20.00 - \$25.00. If your child requires hire of an instrument a small additional yearly fee of \$40.00 will be required. Associated costs will be invoiced direct during term 1.

Practising regularly at home, attending weekly music lessons and attending ensemble rehearsal are essential to student progress. Students will engage in one 30-minute lesson per week. This will occur on the same day each week with the time rotating so that students do not miss the same lesson. Students will be provided with a timetable to follow. Students will additionally attend one ensemble session each week once they have achieved a certain level.

Please fill in the following information to nominate your child's interest in the *Instrumental Music Program*. Please note two forms are provided, only return the required program/s form. Forms are to be returned to the **office by Monday 11 February**.

Please contact me via email cgilm10@eq.edu.au for more information.

Yours sincerely

Cath Gilmore
