

14 June 2018,

Dear Parents/Caregivers,

As part of Digital Technologies and Aerospace Studies, your student has the fantastic opportunity to participate in a **Drone Coding Workshop** run by *Stempunks*; an educational organisation that specialises in bringing 21st learning into the classroom. The workshop will provide students with hands on experience in drone coding and end with a technical problem solving event that involves students using drones on a 'search and rescue mission'.

The details of the event are as follows:

What: STEMPunks Drone Coding workshop

When: Tuesday 17 July 2018 9-10:30am

Cost: \$30 (full fee is subsidised by the school)

Wear: Students must be in full school uniform.

Location: TBA

Please complete and sign the permission form and return this to either Mr Doyle or Mr Smithard by Monday 16 July. Please pay the \$30 workshop fee to school finance by the workshop date. As always, we thank you for your ongoing support of the fantastic opportunities we offer at Noosa District State High School.

Yours Sincerely,

Renee Rackley
Deputy Principal
Senior Secondary

STEMPUNKS - DRONE CODING WORKSHOP

My child _____ would like the opportunity and has permission to participate in the **Drone Coding** workshop being offered at our school on Tuesday July 17. I understand there will be a fee of \$30 that is substituted by the school.

Signed
