

Junior Secondary Student Leadership Nominations Now Open:

Dear parents and carers,

An exciting opportunity currently exists at the Pomona Campus. Leadership applications are now being accepted. Student leaders contribute to school culture, events, and overall empowering each other to build confidence, make friends and give back to the school community.

Student leaders assist with running parades, interacting with the local community, representing the school at events and much more.

If you believe your child would benefit from this opportunity, please fill out the attached application form and return to Mr Gordon in A Block Staffroom. Alternatively, please discuss this opportunity with your child.

Applications close Friday week 4 (16/02/24) – successful applicants will be presented with their badge on our week 5 whole school parade. Parents are invited to attend this special celebration.

Mr Gordon
